ABOUT

As a product designer, I take broad, conceptual ideas and turn them into something useful and valuable. I design flows and experiences that are simple and elegant, and I always strive to give and solicit feedback from other designers in order to continually raise the bar for quality. What do I bring to the table? A willingness to learn and a commitment to quality.

EDUCATION

MASTER OF PROFESSIONAL STUDIES, INFORMATION SCIENCE
Cornell University | May 2019 | GPA: 3.75
Coursework: Human Perception: Applications to Computer Graphics, Art and Visual Display, Entrepreneurship and Business Ownership

BACHELOR OF ARTS, CHINA AND ASIA PACIFIC STUDIES
Cornell University | May 2018

WORK EXPERIENCE

CORNELL DESIGN AND TECH INITIATIVE
Product Designer | Aug 2018 - May 2019
Partner with product managers and engineers to oversee the user experience of a product that allows students to gauge the crowdedness of on-campus spaces. Undergo app-building process from conception until launch. Participate in the end-to-end (hybrid UX and UI) product design.

GSK
Product Design Intern | June - Aug 2018
Contribute to high-level strategic decisions with the rest of the product and executive teams. Collaborate with design-oriented engineers and product managers to wireframe and prototype for a web interface that empowers GSK employees to build digital products.
